NEVADA

My doctor tells me I should start slowing it down - but there are more old drunks than there are old doctors so let's all have another round.

Willie Nelson

Gentlemen,

The Sierra Nevada Athletic Commission welcomes you to the 21st Annual Sierra Nevada Classic! We hope all athletes had a productive offseason and fine-tuned their skills in all events, not just in lunch and picnics. This Classic will mark our fifth consecutive year at the beautiful Carson Valley Inn and a return to Genoa Lakes Ranch Course.

As we prepare for another season of renewed friendships, rivalries and competition, we know we also need to take a look back in reverence of our fallen brethren. Sadly, three other members of the Sierra Nevada Classic Family have left this world too soon, Brian “B-Mac” McCullough, Jeremy “Jermo” Correlli and Mario “Svengali” Schroder. We must keep their spirit alive in our hearts and in our minds and remember that life is certainly short and we need to take advantage of the time we are given.

God bless everyone, and in the immortal words of judge and referee Mills Lane, “Let’s Get It On.”

Scramble Rules

Method of play and rules:

1. Play begins with each member of the group teeing off.
2. With the agreement of the other members of the group, the team captain decides which drive is the most desirable.
3. The other members of the group pick up their balls and proceed to the spot of the selected drive, where they will hit their second (or third, or fourth, etc. shot).
4. After the shot, all balls may be placed within one club length of the original ball. This may be done either to the side or backwards. Balls may not be placed closer to the hole.
5. In placing the ball, you may not change the condition of the shot. If the ball is in a hazard (e.g. sand trap, rough) all members of the team must play their shot from the trap or rough, respectively.
6. This procedure continues until the ball is in the hole.
7. On the putting green, **do not hole out a short putt if you have missed your first putt.** The first ball putted must count. Mark your ball and wait. If the second or third putt is better, mark that putt. Under no circumstances will there be any gimmies.
8. At the end of each hole, the score for the group is recorded on the card.
9. All scorecards must be kept accurately and per hole.
10. Each player on the team must contribute at least **two** tee shots per 18 holes. If only three members are on a team, **three** tee shots must be used per 18 holes. When recording your score on the card, you must input which player's tee shot was used on every hole. Also mark down which member of your team made the putt.
11. The maximum score allowed is a double-par. After that, simply pick up the balls and move on to the next hole.
12. In case of tiebreaker after 18 holes, playoff rules for winner will be based on golf course availability and/or agreement between applicable captains on tiebreaker procedures.

SNC Horseshoe Tournament Rules

Method of play and rules:

1. All court layout dimensions, playing equipment and scoring will follow the official rules sanctioned by the NHPA (National Horseshoe Pitchers Association of America).
2. Cancellation scoring will be used to keep score during the tournament.
3. Ringer: Ringers cancel each other. A ringer of one contestant shall cancel a ringer of another contestant and those shoes shall not score any points. Any uncanceled (live) ringers shall score 3 points.
4. Shoes in Count: A shoe in count (upright horseshoe length from the stake) shall score one point under the following conditions: If there are cancelled ringers and no live ringer, the closest shoe in count to the stake shall score one point. If there are no ringers, the closest shoe in count to the stake shall score one point. If the other shoe of the same contestant is the second closest shoe in count, it shall also score one point. If there is one uncanceled ringer and the other shoe of the scoring contestant is the closest shoe in count to the stake, it shall score one point (four points total).
5. On tournament day, there will be one scorekeeper per game. This score sheet shall be the official record of the game. Contestants are encouraged to pay close attention to the score at all times. If a question or discrepancy occurs regarding the score, the contestant(s) may approach the scorekeeper between innings to rectify the situation. This scorekeeper or other identified authority will also judge any discrepancy of which contestants shoes are closer to the stakes during the game. If discrepancies cannot be corrected to the satisfaction of all contestants, the tournament judge shall be called in to make the final decision.
6. Each team will be comprised of four pitchers. Each team will be selected into an eight team bracket that will be drawn on seeding night.
7. The Horseshoe Tournament will begin with your team dividing into two teams of two contestants. **(These teams must be determined before seeding)**. Your two teams will be matched against the other team in your bracket who will also divide their team into two teams of two contestants.
8. Please note that your "A" squad will match up with your opponents "A" squad along with "B" squad vs. "B" squad in your individual bracket. If both of your split squads win, you advance out of bracket. If one squad loses and the other wins, only the winning squad can participate in the tie breaker to advance to the next round. Also, the bottom team in the bracket will call the coin toss and be able to choose individual match ups within the bracket. There will again be a coin flip in case of a tie breaker.
9. Each game will be played to twenty-one points (First team to twenty-one, no need to win by two points). However, the skunk rule will be in effect. If any team scores eleven points before their opponent scores one point, the game is over. Final score would be (11-0).
10. The Sierra Nevada Athletic Commission will allow alcohol, smoking and chewing during this tournament event.

SNC Bowling Tournament Rules

Method of play and rules:

1. Teams will begin round one play based on Thursday night bracket seeding.
2. The teams that win in the first round will advance to the second round and either the title or consolation games via match play.

Overall Tournament Scoring Rules

1 st Place In An Individual Event.....	4 Points
2 nd Place In An Individual Event.....	3 Points
3 rd Place In An Individual Event.....	2 Points
4 th Place In An Individual Event.....	1 Point

Tiebreaker

If the day ends with a tie for first place in the overall tournament, a bowl-off will be implemented to determine the champion. Then, in order to determine the overall finish other than first, total points and then total bowling average will be used to rank teams.

PREVIEW

Sierra Nevada Classic Cameraman

Jon “Bucky The Wonder Horse” Faulkner

With ten years under his belt, it would seem that Bucky would be phoning it in come tournament time, but he keeps surprising the Commission with innovative directing and footage. Especially after the required picons have been consumed.

Sierra Nevada Classic Photographer

Scott “The Boz” Foster

After multi-tasking last year as still photographer and fill-in for Bacon on the Penetrators, The Boz will move back to the wings to focus on his art. Although we all know he will be ready to take over in case of any knankle breaks or over service at JTs.

POINT SHAVERS

YEARS IN THE LEAGUE: 20

CHAMPIONSHIPS: 6 (2015, 2002, 2001, 2000, 1999, 1997); Golf Titles: 1 (2015)

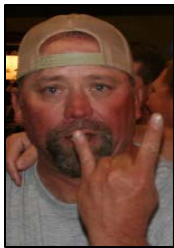

2015 Sierra Nevada Classic – Champions (1st Place Golf, 3rd Place Bowling)

Twelve years without a championship or even finishing higher than fourth place for that matter, expectations were pretty low for the Point Shavers as they entered SNC 20. But something seemed to be in the air at Dayton Valley as they led off the day with a birdie, then a par, then an eagle! Something strange indeed was happening as they would be in front for the majority of the day, but Fistful and Let It Ride weren't having it and after 18 holes were completed, there was a three team playoff for the golf championship. With ice in their veins, Point Shavers took their first ever golf title on the first playoff hole. Spirits were high as they hit the horseshoe pits to face Stage Fright, but the A-Squad of Goose and Colonel couldn't find the stake as they were crushed by Whala and Yeti and even though Spiderman and Special K would win their matchup they didn't have enough jam as they lost by 14 points in the tiebreaker to end the morning event with a Goose Egg. Heading into lunch, they knew they had a shot as there was a 3-way tie for first and they would face their old nemesis, Fistful of \$\$\$\$, knowing a win would put them in the driver's seat. The match was nip and tuck but with the help of the Colonel's 162, the Point Shavers pulled away at the end to move into the next round. They battled against the heavily favored Penetrators but would lose by 49 pins to move into the consolation round to face Powell's Brickyard. A win would seal their first title in the new era. A loss would force a bowl-off for all the marbles. The Point Shavers were hot, but Powell's Brickyard matched them pin for pin and it looked like anyone's game, but in the end, the Veteran Spiderman's 184 was too much to overcome and the Captain's prophecy rang true, "Last year we knocked on the door; this year we bust through it!"

Rodney "Spiderman" Keinath – Captain (MVP – 2001, 1997)

- 👉 **Golf:** 2 Drives, 4 Putts
- 👉 **Horseshoes:** 0 Ringers, 12 Points (1 – 1, 6.00 PPG)
- 👉 **Bowling:** 139/122/184 (148 Ave., +14)

Mike "Goose" Wetenkamp (MI – 2008)

- 👉 **Golf:** 5 Drives, 2 Putts
- 👉 **Horseshoes:** 1 Ringer, 1 Point (One And Done)
- 👉 **Bowling:** 121/94/87 (101 Ave., -10)

Kevin "Special K" Verre (MVP – 2015)

- 👉 **Golf:** 7 Drives, 6 Putts
- 👉 **Horseshoes:** 2 Ringer, 10 Points (1 – 1, 8.00 PPG)
- 👉 **Bowling:** 94/126/124 (115 Ave., +7)

Tully "The Colonel" Wyatt

- 👉 **Golf:** 4 Drives, 6 Putts
- 👉 **Horseshoes:** 0 Ringers, 5 Points (One And Done)
- 👉 **Bowling:** 162/165/136 (154 Ave., +7)

2016 Prediction: 1st Place

The Commission is still rubbing their eyes over what they saw from the Point Shavers in SNC 20, but with a now solid golf game and above average bowling game, Point Shavers have set themselves up nicely to continue their domination and if Goose can find his missing horseshoe game, they will be nearly impossible to beat. Asked for a comment on coming into SNC 21 as the favorite, Captain Spiderman humbly responded, "We were very fortunate to have placed where we did last year; there is just so much talent in the Classic. The Shaver organization is extremely flattered, humbled and honored to have received such a lofty prediction. As in every year, the Point Shavers look forward to being competitive and to be relevant after lunch."

PENETRATORS

YEARS IN LEAGUE: 20

CHAMPIONSHIPS: 5 (2012, 2011, 2008, 1998, 1996); Horseshoe Titles: 1 (2011); Bowling Titles: 5 (2015, 2014, 2012, 2011, 2009)

2015 Sierra Nevada Classic – 2nd Place (1st Place Bowling)

Coming into SNC 20 the Penetrators knew they would be without 3-year veteran Bacon, a member of their last championship team. Even under this cloud of sadness, they realized their substitute, Scott ‘The Boz’ Foster, would most likely help their chances on the links. Now it wasn’t like their day on the course was ugly with two birdies and two bogeys, but it seemed uninspired as they would plod through the day to finish in a tie for last place. It wouldn’t get any easier in the horseshoe pits either as they would match up against the 5-time horseshoe champion Colt .45s. But the Penetrators came to toss and the A-Squad of Flame and Paw lost a tough one to the Hutson Brothers 17 – 23 and the B-Squad of Greez and The Boz also lost a heartbreaker to Shortstack and 242 to the tune of 18 – 21. Just like that it was lunch at JTs with zero points and based on the bowling seedings, no chance to win a title. Of course they would destroy everyone in their paths to capture their 5th bowling title to end the Classic putting whipped cream on dog crap.

Kip “Greez” Perry – Captain (MVP – 2012, 2008, 1998)

- ☞ **Golf:** 4 Drives, 3 Putts
- ☞ **Horseshoes:** 2 Ringers, 4 Points (One And Done)

2016 Prediction: 3rd Place

Have the Penetrators slowly become a one trick bowling pony? It has been five years without points in golf and horseshoe points are becoming few and far between. Having Bacon back in the mix may help fry up another championship but it seems more like another finish within the top four. Hearing of this prediction, Greez fired back, “Predictions are as useless as tits on a boar hog. They are for the talk show hosts to fill up 3 hours of radio airtime and for has-beens to talk about between dart rounds in the pub. The Penetrators intend to compete hard and respect the tourney, with the goal to bring home some hardware. Predictions? Pleez....”

POWELL'S BRICKYARD

YEARS IN LEAGUE: 17

CHAMPIONSHIPS: 0; Horseshoe Titles: 1 (2012)

2015 Sierra Nevada Classic – 3rd Place (2nd Place Horseshoes, 4th Place Bowling)

Hopes were high for Powell's Brickyard in SNC 20 with some new infused youth and golf prowess added to their squad. As they stepped on the manicured grass of Dayton Valley, Powell's Brickyard aimed for some points in golf, something they had yet to capture in seven years, and it looked like it might happen as they eagled on hole 2 and after 4 birdies and 9 holes of golf were co-leaders. Then they came back down to earth as they would bogey 4 out of the next 9 holes to end with a 6th place finish. Disappointed but not fazed, they awoke the next day to make short work of Full House with the sweep in Round 1 and battled to sweep Fistful in Round 2 to set up the championship match with the favored Colt .45s. The A-Squad of Casanova and Southie gave it all they had but came up short against the Hutson Brothers 17 – 23 and the B-Squad of Sleepy and The Chef ran out of steam as they were skunked by 242 and Shortstack. Still, heading to lunch and bowling with 3 points must have had PB feeling pretty good about their chances. Things got off to a great start as Powell's Brickyard smoked the Colt .45s by 60 pins to move to the point rounds where they faced Full House knowing a win would put them in the driver's seat for the title. PB and Full House matched ball for ball but in the end couldn't find the big pins to lose a heartbreaker by 17. But wait, there was still hope as the Point Shavers also lost and a win against the Point Shavers would take it to a bowl-off for the SNC 20 Trophy. All in, PB threw their bowling balls and hearts out but couldn't get past the destined Point Shavers by a mere 16 pins to take a 4th place in bowling and their highest ever 3rd place finish.

Joe "Casanova" Tierney – Captain (MVP – 2005, ROY – 2000)

- 👍 **Golf:** 4 Drives, 7 Putts
- 👍 **Horseshoes:** 7 Ringers, 15 Points (2 - 1, 12.00 PPG)

- 👉 **Bowling:** 129/138/106 (124 Ave., +/- 0)

Grant "The Chef" Dehne

- 👍 **Golf:** 9 Drives, 4 Putts
- 👍 **Horseshoes:** 6 Ringers, 10 Points (2 - 1, 9.33 PPG, Skunked)
- 👉 **Bowling:** 119/101/148 (123 Ave., +/- 0)

2016 Prediction: 2nd Place

The time is now for Powell's Brickyard. After a second year with the same teammates, we foresee some points in golf, a solid round of horseshoes and a higher finish in bowling which will have them right there for the trophy at the end of day. Told about the highest prediction ever for Powell's Brickyard, Captain Casanova replied, "Although we appreciate a second place prediction, WE feel like the prediction is off 1 point!"

FISTFUL OF \$\$\$\$

YEARS IN LEAGUE: 20

CHAMPIONSHIPS: 2 (2005, 2003)

2015 Sierra Nevada Classic – 4th Place (2nd Place Golf, 4th Place Horseshoes)

There was nowhere to go but up for Fistful of \$\$\$\$ after a last place finish in SNC 19 and they seemed relaxed as they reached the golf course for SNC 20. Jumping on the back of the Stormin' X-Mormon and his 11 drives, they shot 4 birdies and an eagle on the day to force playoff holes with the Point Shavers and Let It Ride. After the first playoff hole, Point Shavers moved on and Fistful tied on the second playoff hole to move to a chip-off with Let It Ride where the X-Mormon got closest and Fistful took a big 3 points in golf, their highest finish in seven years. Arising Saturday, they knew they had a favorable seed in horseshoes against Let It Ride and looked to take advantage as the A-Squad of Dot and Ziggy got past Chilinch and Matlock 23 – 17 and then breezed past the B-Squad of The JB and The Serb 22 – 4 in the tiebreaker to move into the points round. Against the favored Powell's Brickyard, Dot and Ziggy battled but couldn't finish as they lost to Casanova and Southie 18 – 21 and the B-Squad of X-Mormon and Leprechaun lost to Sleepy and Chef 14 – 24 as they were swept. Seemingly out of steam they were then swept by Stage Fright in the consolation round to end the morning event. On to lunch where Fistful calmly sipped their picnics as this would mark the first time in the new era they were tied for the lead going into bowling to face their old rival Point Shavers. It was a battle as both squads moved into the 9th frame in a virtual tie, but with the pucker factor on high they couldn't hit the pins and they sulked to the lounge knowing they let one slip away.

Billy "Dot" Borda – Captain (MVP – 2003)

- ☞ **Golf:** 2 Drives, 5 Putts
- ☞ **Horseshoes:** 4 Ringers, 17 Points (2 – 2, 7.25 PPG)
- ☞ **Bowling:** 163 (+28 of Average)

Dave "The Stormin' X-Mormon" Dodson

- ☞ **Golf:** 11 Drives, 3 Putts
- ☞ **Horseshoes:** 2 Ringers, 10 Points (0 – 3, 5.33 PPG)
- ☞ **Bowling:** 90 (-25 of Average)

Mark "Ziggy" Manning

- ☞ **Golf:** 2 Drives, 4 Putts
- ☞ **Horseshoes:** 6 Ringers, 27 Points (2 – 2, 11.25 PPG)
- ☞ **Bowling:** 139 (+8 of Average)

Scott "The Leprechaun" Schellin (MI – 2002)

- ☞ **Golf:** 3 Drives, 6 Putts
- ☞ **Horseshoes:** 2 Ringers, 12 Points (0 – 3, 6.00 PPG)
- ☞ **Bowling:** 103 (-6 of Average)

2016 Prediction: 6th Place

Fistful had a chance in SNC 20 but always has to rely on a well above average golf game and very favorable seedings in both horseshoes and bowling to get any points and this year they will fall back to the rear. Told the news of another low prediction, Captain Dot asked, "Could the Commission bring basketball back into the Classic?"

COLT .45s

YEARS IN LEAGUE: 16

CHAMPIONSHIPS: 3 (2014, 2013, 2004); Horseshoe Titles: 5 (2015, 2014, 2013, 2010, 2009); Bowling Titles: 1 (2013)

2015 Sierra Nevada Classic – 5th Place (1st Place Horseshoes)

Entering SNC 20 looking for the elusive 3-peat, Colt .45s laced up their rarely used golf spikes and hit the tee box at Dayton Valley looking to capture their first points in the event. And it was a pretty good day of golf with an eagle, a birdie and only 3 bogeys but a good day on the links for Colt .45s still equals a last place finish. On to day 2 where they begin to click the wheels into place. Facing an unintimidated Penetrator Squad, Colt .45s squeaked by with the sweep 23 – 17 for the A-Squad and 21 – 18 for the B-Squad. Next up, Stage Fright where there was a brief moment of panic as the Hutson Brothers got smoked by Whala and Yeti 13 – 21. But have no fear as the B-Squad of 2-4-2 and Shortstack dismantled Leroy and Lurch 21 – 3 and then smothered Whala and Yeti 21 – 6 to move into the Championship where they would sweep Powell's Brickyard to win their 3rd straight horseshoe title and 4 points. Heading into lunch tied for the lead and arguably the second best bowling team in the Classic, Colt .45s were soaking up the adoration at the Championship table at JTs. The scene: Silver Strike Lanes. The title: Meltdown. Maybe it was over confidence against the big underdog Brickyard or maybe it was getting a little too primed at lunch? Whatever the case, Colt .45s bowled a collective 87 pins below average and were crushed to the tune of 60 pins to become spectators for the remainder of the afternoon.

Jim “2-4-2” McHugh – Captain (MVP – 2013)

-  **Golf:** 4 Drives, 2 Putts

-  **Golf:** 3 Drives, 5 Putts
-  **Horseshoes:** 10 Ringers, 7 Points (2 - 1, 12.33 PPG)
-  **Bowling:** 109 (-28 of Average)

2016 Prediction: 7th Place

It's hard to imagine that a team a round of bowling away from a possible 3-peat could be predicted a next to last finish, but the float magic has run its course. With zero to no chance for points in golf and an ever improving field of horseshoe and bowling squads, the Colt .45s can no longer rest on their laurels. Relayed the prediction, Captain 2-4-2 sounded rather calm and aloof. “Colt .45s came out a little flat last year after winning Back To Back Championships. We are looking forward to the challenge and expect to be back competing for a championship.”

FULL HOUSE

YEARS IN LEAGUE: 14

Championships: 3 (2010, 2009, 2007); Golf Titles: 3 (2012, 2010, 2009); Bowling Titles: 1 (2010)

2015 Sierra Nevada Classic – 6th Place (2nd Place Bowling)

Four so-so years after winning two consecutive titles to start the new era of the Sierra Nevada Classic, Full House looked to right the ship in SNC 20. Arguably the best golf team in the Classic they hit Dayton Valley ready to capture their 4th golf title and they were in the mix shooting 5 birdies and an eagle but with two bogeys. Tied for the lead hitting Hole 17, one of those bogeys would come back to haunt them as they dropped a stroke from the lead and had to settle for a playoff hole for fourth place which they lost to Stage Fright to end day one with no points, their first time in Classic history. The horseshoe pits became another event to forget as they were throttled by Powell's Brickyard, 9 – 21 by the A-Squad and 4 – 21 by the B-Squad to head to lunch with zero points, another first. With no chance for a title shot, Full House got loose at JTs and hit the lanes relaxed and ready to save face. After a tough win against Stage Fright, they took out some revenge on Powell's Brickyard to move into the championship where they sat back and watched the Penetrators light up the scoreboard to end their day with a 6th place finish, their lowest finish in five years.

2016 Prediction: 5th Place

The field probably thinks this is a low prediction for the two-time champions, but although they will probably never again finish out of points in golf, Full House's horseshoe and bowling games have become streaky at best. When reached for comment, newly wedded Captain Skeets angrily fired back, "How about you go F@*\$ yourselves! The disrespect is palpable and we need no other motivation!"

STAGE FRIGHT

YEARS IN LEAGUE: 19

CHAMPIONSHIPS: 0; Golf Titles: 2 (2013, 2011)

2015 Sierra Nevada Classic – 7th Place (4th Place Golf, 3rd Place Horseshoes)

With two golf titles under their belts, Stage Fright is always one of the teams to beat and SNC 20 was no exception as they peppered the course with 6 birdies to reach Hole 16 tied for the lead. But the tough par 3 handed them their only bogey of the day which sent them to a playoff hole with Full House where they hit a big putt and squeaked out of Dayton Valley with 1 point. Moving to Rancho Aspen Park the next morning where Stage Fright has had little to no success, the A-Squad of Whala and Yeti had no trouble with Goose and The Colonel 21 – 9 but the B-Squad of Lurch and Leroy battled to a loss of 16 – 21 to force a playoff where Whala and Yeti dropped the hammer on Spiderman and Special K 21 – 7. Next, in the semifinals, Whala and Yeti shocked the Hutson Brothers 21 – 13 but Lurch and Leroy had no answer for 2-4-2 and Shortstack folding 3 – 21 to set up the tiebreaker where the 2-4-2/Shortstack magic continued as Whala and Yeti stood in disbelief at a 6 – 21 dusting. They would regroup however and sweep Fistful to get an important 2 points going into lunch. Heading to Silver Strike Lanes Stage Fright had a legitimate shot at the title with a couple wins and met Full House in round 1. It was a dog fight to the very end but they couldn't overcome two sub-100 games from Captain Yeti and Leroy and took the loss by 12 pins to end SNC 20 in 7th place, their worst finish since SNC 14.

2016 Prediction: 4th Place

On paper, it is hard to believe this team has not won a championship, but year after year they find a way to fall short. Maybe this is the Classic they can put it all together and compete in every event. The Commission will believe it when they see it. Reaching out to Captain Yeti about Stage Fright's prediction in sunny Carlsbad, California he seemed very mellow as he responded, "I like the underdog role. The pressure is off and our A game will be on. Off season training was at an Olympic level! We will creep from the shadows and take the title."

LET IT RIDE

YEAR IN LEAGUE: 18

CHAMPIONSHIPS: 0; Golf Titles: 1 (2014)

2015 Sierra Nevada Classic – Last Place (3rd Place Golf)

As it looks to becoming a habit, Let It Ride did not disappoint on the golf course as they blistered Dayton Valley with 6 birdies including a bird on Hole 18 to force a 3-team playoff. However, the balls stopped bouncing their way as they couldn't get past the Point Shavers on the first playoff hole and after a second playoff hole tie with Fistful, lost by the dreaded chip-off to end an amazing day of golf with only 2 points. Not ones to hang their heads, Let It Ride knew they would have a shot on the horseshoe pits with a favorable draw against the very beatable Fistful of \$\$\$\$\$. The A-Team of Chilinch and Matlock gave it all they had before taking the 17 – 23 loss. However, the B-Team of The JB and The Serb got the win but couldn't keep it going in the tiebreaker as they got smoked 4 – 22 to end their day. At lunch the piccons didn't taste as sweet knowing a first round bowling matchup against the heavily favored Penetrators was waiting in the wings. Chilinch and The JB gave it all they had bowling a combined 65 pins over their average, but the Serb and Matlock couldn't keep pace and Let It Ride got smeared by 176 pins to end their Classic and take a last place finish.

2016: Prediction: 8th Place

We know Let It Ride has a stellar golf game and will be in the hunt for the golf title, but getting points in day two of horseshoes or bowling will always take a great seeding and a miracle. Unless there was some major off season work in horseshoes and bowling, we see another low finish for this squad in SNC 21. Told about the last place prediction, The JB responded, "We respectfully disagree with the Commission on this prediction. We know we have some work to do to get better in horseshoes and bowling, but we have been close to winning this thing before and our day is coming. You tell the Commission that we are coming and we are bringing hell with us."
