

I would like to be remembered as a man who had a wonderful time living life, a man who had good friends, fine family - and I don't think I could ask for anything more than that, actually.

Frank Sinatra

Gentlemen,

It has been a couple of tough years with the losses of both our great friends Mike “The Silent Assassin” Borda and Ron “Silk” Powell as well as many of our family members and loved ones, but it seems to be more and more important as these years flash by for us to appreciate and cherish these times we get to spend together in the spirit of friendship and family.

It is also hard to believe we are headed to our 20th Sierra Nevada Classic! Seems like just yesterday there were cold 40oz bottles in the laps of a few of the athletes as they made their way through the Sierra Nevada Mountains to Carson City, Nevada for SNC 1. We know Mike has said on camera that he didn’t think there would even be an SNC 2, but I think he knew in his heart that this was an event that would continue for decades and even generations. The Commission is very excited about SNC 20 and may even have a few surprises up their sleeves, so get ready to pack your bags and once again make the pilgrimage to the heart of the Golden West!

As always, The Sierra Nevada Athletic Commission would like to thank all of the athletes for taking the time out of their busy lives to dedicate themselves to this tournament of camaraderie, friendship and brotherhood.

See you all soon in the sage and the pines!

SNC Golf

Scramble Rules

Method of play and rules:

1. Play begins with each member of the group teeing off.
2. With the agreement of the other members of the group, the team captain decides which drive is the most desirable.
3. The other members of the group pick up their balls and proceed to the spot of the selected drive, where they will hit their second (or third, or fourth, etc. shot).
4. After the shot, all balls may be placed within one club length of the original ball. This may be done either to the side or backwards. Balls may not be placed closer to the hole.
5. In placing the ball, you may not change the condition of the shot. If the ball is in a hazard (e.g. sand trap, rough) all members of the team must play their shot from the trap or rough, respectively.
6. This procedure continues until the ball is in the hole.
7. On the putting green, **do not hole out a short putt if you have missed your first putt.** The first ball putted must count. Mark your ball and wait. If the second or third putt is better, mark that putt. Under no circumstances will there be any gimmies.
8. At the end of each hole, the score for the group is recorded on the card.
9. All scorecards must be kept accurately and per hole.
10. Each player on the team must contribute at least **two** tee shots per 18 holes. If only three members are on a team, **three** tee shots must be used per 18 holes. When recording your score on the card, you must input which player's tee shot was used on every hole. Also mark down which member of your team made the putt.
11. The maximum score allowed is a double-par. After that, simply pick up the balls and move on to the next hole.

SNC Horseshoe Tournament Rules

Method of play and rules:

1. All court layout dimensions, playing equipment and scoring will follow the official rules sanctioned by the NHPA (National Horseshoe Pitchers Association of America).
2. Cancellation scoring will be used to keep score during the tournament.
3. Ringer: Ringers cancel each other. A ringer of one contestant shall cancel a ringer of another contestant and those shoes shall not score any points. Any uncanceled (live) ringers shall score 3 points.
4. Shoes in Count: A shoe in count (upright horseshoe length from the stake) shall score one point under the following conditions: If there are cancelled ringers and no live ringer, the closest shoe in count to the stake shall score one point. If there are no ringers, the closest shoe in count to the stake shall score one point. If the other shoe of the same contestant is the second closest shoe in count, it shall also score one point. If there is one uncanceled ringer and the other shoe of the scoring contestant is the closest shoe in count to the stake, it shall score one point (four points total).
5. On tournament day, there will be one scorekeeper per game. This score sheet shall be the official record of the game. Contestants are encouraged to pay close attention to the score at all times. If a question or discrepancy occurs regarding the score, the contestant(s) may approach the scorekeeper between innings to rectify the situation. This scorekeeper or other identified authority will also judge any discrepancy of which contestants shoes are closer to the stakes during the game. If discrepancies cannot be corrected to the satisfaction of all contestants, the tournament judge shall be called in to make the final decision.
6. Each team will be comprised of four pitchers. Each team will be selected into an eight team bracket that will be drawn on seeding night.
7. The Horseshoe Tournament will begin with your team dividing into two teams of two contestants. **(These teams must be determined before seeding)**. Your two teams will be matched against the other team in your bracket who will also divide their team into two teams of two contestants.
8. Please note that your "A" squad will match up with your opponents "A" squad along with "B" squad vs. "B" squad in your individual bracket. If both of your split squads win, you advance out of bracket. If one squad loses and the other wins, only the winning squad can participate in the tie breaker to advance to the next round. Also, the bottom team in the bracket will call the coin toss and be able to choose individual match ups within the bracket. There will again be a coin flip in case of a tie breaker.
9. Each game will be played to twenty-one points (First team to twenty-one, no need to win by two points). However, the skunk rule will be in effect. If any team scores eleven points before their opponent scores one point, the game is over. Final score would be (11-0).
10. The Sierra Nevada Athletic Commission will allow alcohol, smoking and chewing during this tournament event.

SNC Bowling Tournament Rules

Method of play and rules:

1. Teams will begin round one play based on Thursday night bracket seeding.
2. The teams that win in the first round will advance to the second round and either the title or consolation games via match play.

Overall Tournament Scoring Rules

1 st Place In An Individual Event.....	4 Points
2 nd Place In An Individual Event.....	3 Points
3 rd Place In An Individual Event.....	2 Points
4 th Place In An Individual Event.....	1 Point

Tiebreaker

If the day ends with a tie for first place in the overall tournament, a bowl-off will be implemented to determine the champion. Then, in order to determine the overall finish other than first, total points and then total bowling average will be used to rank teams.

PREVIEW

Sierra Nevada Classic Cameraman

Jon “Bucky The Wonder Horse” Faulkner

Can it be true that Bucky will be embarking on his tenth annual Sierra Nevada Classic? Seems like just yesterday when he had a head full of hair. Oh wait, that isn't true, but what an honor to have an artist of his caliber documenting the athlete's trials and tribulations for a decade!

Sierra Nevada Classic Photographer

Scott “The Boz” Foster

After two Sierra Nevada Classics without any pictures, the Commission conducted a statewide search and pored over thousands of portfolios before staying within the family and securing the talents of Scott “The Boz” Foster. Known for his love of mini-trucks and mini-mullets, look for The Boz to bring that same love to the art of still photography.

COLT .45s

YEARS IN LEAGUE: 15

CHAMPIONSHIPS: 3 (2014, 2013, 2004)

2014 Sierra Nevada Classic – Champions (1st Horseshoes, 2nd Bowling)

The Colt .45s started the tourney as they usually do, with an unwatchable round of golf which included 6 bogeys and a last place finish. Not to worry, however, as they knew that horseshoes was the next event and they did not disappoint. They breezed through the tourney throwing skunks left and right including a Hutson Brothers 12-0 ass whooping in the Championship match vs. Full House. Going into lunch, they were tied for 2nd place and needed some bowling magic to secure another title and they pulled it out of their hats. They cruised into the finals with two easy wins before losing in the Championship match, but it didn't matter. The Colt .45s were back-to-back champs. Billy Dee Williams summed it up best with his classy television ad back in the late 70's when he said, "Colt .45—Works every time." Well, maybe not every time, but it sure seems like this team is worthy of a Billy Dee William's commercial.

2015 Prediction: 5th Place

These guys have been bringing the noise the last couple of years, but they put themselves into an early corner when they don't get any points in golf. They should get 4 points in horseshoes most years with the Hutson brothers throwing ridiculous numbers on the board, but if they don't get 3 or 4 points in horseshoes, they would be out of it before lunch. The all elusive 3-peat is waiting in the wings, which typically signals it is time for them to fall back to the pack. When asked about the 5th place prediction, Captain 2-4-2 disagreed and said, "Well, we did have the privilege of float duty, but we have come back to win two straight SNCs. I really can't see how we aren't the favorites, but the Champions will be ready!"

PENETRATORS

YEARS IN LEAGUE: 19

CHAMPIONSHIPS: 5 (2012, 2011, 2008, 1998, 1996)

2014 Sierra Nevada Classic – 2nd Place (3rd Place Horseshoes, 1st Place Bowling)

Sooo close! These guys had a bunch of chances to win the SNC, but it turned out not to be their year. Looking back, it appears that not getting any points in golf really hurt the Penetrators in 2014, but they still had a decent shot if they could put some wins together and they did just that. Facing a very tough Point Shavers team in the first round of horseshoes, they battled to wins of 22-20 and 22-16 to advance to the second round and then nabbed 2 points by winning the consolation bracket. With The Flame throwing fireballs and Greez sliding greezballs down the lanes, they coasted into 4 points, but would it be enough? Turns out that the Colt .45s just kept winning as well and even though The Penetrators crushed the .45s in the Championship, they still came up one point short of an SNC 19 bowl-off.

Kip "Greez" Perry – Captain (MVP – 2012, 2008, 1998)

- 👉 **Golf:** 2 Drives, 4 Putts
- 👉 **Horseshoes:** 4 Ringers, 7 Points (2 - 1, 6.33 PPG, Skunked)
- 👉 **Bowling:** 157 (+13 of Average)

Mike "Paw" Berkich (MVP – 2006)

- 👉 **Golf:** 2 Drives, 1 Putts
- 👉 **Horseshoes:** 7 Ringers, 11 Points (2 - 1, 10.67 PPG)
- 👉 **Bowling:** 144 (-7 of Average)

Tim "The Flame" Foster (MVP – 2011)

- 👉 **Golf:** 12 Drives, 10 Putts
- 👉 **Horseshoes:** 7 Ringers, 12 Points (2 - 1, 11.00 PPG)
- 👉 **Bowling:** 209 (+22 of Average)

Gary "Bacon" Isaman

- 👉 **Golf:** 2 Drives, 3 Putts
- 👉 **Horseshoes:** 6 Ringers, 6 Points (2 - 1, 8.00 PPG, Skunked)
- 👉 **Bowling:** 106 (+3 of Average)

2015 Prediction: 1st Place

The Penetrators are going to be in it every year and this year is going to be no different. If these guys can grab a point in golf and maybe another point or two in horseshoes, they will be in the driver's seat going into bowling. It's going to be a tight tourney this year and in the event of a tie, The Penetrators would be very tough to beat in a bowl-off. Asked for a comment on his team's prediction, Captain Greez responded, "I've been in enough Classics over the years to understand that The Penetrators don't enjoy sitting in the middle or back of the room or looking at the backs of people's heads during the Seeding Ceremonies. We want to be in the front of the room and at the top of the heap. This is the year that The Penetrators will be back on top."

LET IT RIDE

YEAR IN LEAGUE: 17

CHAMPIONSHIPS: 0

2014 Sierra Nevada Classic – 3rd Place (1st Place Golf, 3rd Place Bowling)

It started so well. Hole 1, birdie. Hole 2, birdie. Let It Ride went on to shoot an SNC record 12 under par with 12 birdies and no bogeys en route to an easy win in the first event. Jim Tierney put on his usual clinic and new addition Scott Gilles proved to be a very welcome addition with above average play all day long. The success continued into the night when Let It Ride won the first invitational Ron Powell domino tourney. Things were looking up for this squad, but then came Saturday morning. As usual, they got destroyed in horseshoes and failed to get a single point in the event for three years in a row. However, going into bowling, they still had a chance to win it all. The JB and Chilinch posted scores of 143 and 142 to lead Let It Ride past Fistful of \$\$\$\$ in the first round setting up a winner-takes-all match vs. the Colt .45s, but they once again came up short leaving them in 3rd place overall for the year.

- 👍 **Horseshoes:** 5 Ringers, 7 Points (1 - 1, 11.00 PPG)
- 👎 **Bowling:** 112 (At Average)

2015: Prediction: 4th Place

Let It Ride answered a ton of questions about their future after adding rookie Matlock to the mix. These guys look like they've been playing together for decades and their 3rd place finish in 2014 exceeded all predictions by a long shot. They still have some kinks to work out in horseshoes and bowling, but bolstered by their strong play in golf, they should be in the top 4 every year. The talent is strong, the chemistry is there, but the breaks haven't gone their way post-golf. This might be another tough year for Let It Ride, but considering their prediction of 8th place last year, they are on their way to becoming a perineal powerhouse in this league. When asked about their team's chances in 2015, Captain Johnny Borda replied, "Clearly we have some work to do to improve in the Saturday games, but Jimmy, Toby and Scott are all bad asses and our time will come and that time will come sooner rather than later."

FULL HOUSE

YEARS IN LEAGUE: 13

Championships: 3 (2010, 2009, 2007)

2014 Sierra Nevada Classic – 4th Place (3rd Place Golf, 2nd Place Horseshoes)

Usually the team to beat in the opening event of golf, Full House has never received worse than 3rd place in this event since the inception in 2007. This streak almost ended this year as they barely took third place by a single stroke in a round that shocked the SNC world. Things looked dim going into horseshoes as The Apostle went on an early morning pilgrimage leaving Full House with three throwers for the tourney. No matter however, as Bor and Full House double-dutied their way into the finals until they finally met the Hutson Brothers' hot hands. Full House was suddenly leading the field with 5 points going into bowling, only needing a 3rd place finish to guarantee a tie. The Apostle returned and provided a spark with a 147 in the first round, but it wasn't enough to advance as Full House finished with a disappointing 4th place finish.

Kris "Skeets" Kelly – Captain (MVP – 2010)

- 👍 **Golf:** 6 Drives, 8 Putts
- 👍 **Horseshoes:** 2 Ringers, 4 Points (0 - 3, 3.33 PPG)
- 👍 **Bowling:** 114 (-29 of Average)

Rob "Bor" Stoddard

- 👍 **Golf:** 8 Drives, 0 Putts
- 👍 **Horseshoes:** (A) 6 Ringers, 9 Points (0 - 3, 9.00 PPG)
(B) 8 Ringers, 14 Points (5 - 1, 6.33 PPG)
- 👍 **Bowling:** 125 (-16 of Average)

Paul "Packsand" Kinne (MVP – 2009, MI – 2006)

- 👍 **Golf:** 2 Drives, 3 Putts
- 👍 **Horseshoes:** 16 Ringers, 17 Points (5 - 1, 10.83 PPG)
- 👍 **Bowling:** 96 (-13 of Average)

Carlos "The Apostle" Mendeguia

- 👍 **Golf:** 2 Drives, 7 Putts
- 👍 **Horseshoes:** No Show
- 👍 **Bowling:** 147 (+10 of Average)

2015 Prediction: 2nd Place

There have been a lot of distractions for these guys in 2015. Skeets is in love and talking babies, Bor has been trying to unravel B Cubed's books, Packsand is overwhelmed by all of the extra drought-produced sand on the shores of Lake Tahoe and The Apostle has been busy as the Pope's personal translator on trips through the Pyrenees. This will be the year that Full House gets back into 1st or 2nd place in golf which will give them a good start, but they will not get into the finals of the other two events which will leave them with 5-6 points, which will not be enough to win it. When asked about the 2nd place prediction for SNC 20, Captain Skeets responded, "Predictions don't mean much to me."

POINT SHAVERS

YEARS IN THE LEAGUE: 19

CHAMPIONSHIPS: 5 (2002, 2001, 2000, 1999, 1997)

2014 Sierra Nevada Classic – 5th Place (2nd Place Golf)

The Point Shavers didn't know what to expect as they headed into SNC 19 with a rookie and a last place finish the year previously, but their collective eyes grew wild with excitement at Genoa Lakes. With the welcome addition of the Colonel, he and Special K took care of business on the tee boxes and the rest of the squad patrolled the greens as they shot five birdies and no bogeys to finish in 2nd place, their highest finish to date and only the second time they have captured points in golf in the new era. Spirits were high as they de-shuttled to the horseshoe pits, but Goose couldn't find his gobble on the A Squad as the Point Shavers battled in both matches with the Penetrators but when the dust settled had been swept on the pits and made it five straight years without points in the event. Even with the let down in horseshoes, a high finish in bowling would put the Point Shavers in title contention. Facing the Colt .45s, the Point Shavers held their own for the first five frames, but they couldn't keep up the pace as the Colt .45s pulled away to the tune of 83 pins and the Point Shavers ended the day in an admirable 5th place.

2015 Prediction: 6th Place

If last year was any indication and the Point Shavers become a threat in golf and they can find their horseshoe game they will be in the mix for a title. However, it is still too soon to tell if this team can gel and put together a consistent weekend performance. Their day will come to add another title but it won't be this day. When the Commission informed Captain Spiderman about their prediction he coolly responded, "It's a fair prediction. I feel last year we improved as a unit and I am clearly expecting even better things from our squad at SNC 20. Last year the golf points were a great start, however, a lucky ringer kept us from advancing in shoes and a subpar bowling showing kept us from a title shot. It's like that old adage, Last year we knocked on the door; this year we bust through it!"

STAGE FRIGHT

YEARS IN LEAGUE: 18

CHAMPIONSHIPS: 0

2014 Sierra Nevada Classic – 6th Place (4th Place Golf, 4th Place Bowling)

After two straight years with a second place finish, expectations for Stage Fright were high going into SNC 19. Maybe the first place prediction got to their heads or maybe it was the lingering effect of “Where’s Whala”, whatever it was they just couldn’t put it together. Their golf wasn’t bad, just a tad uninspired as they seemed content to settle for pars until holes 16 and 17 where they birdied and eagled respectively to pull out a fourth place finish. Moving into Saturday, there were rumors that they were on the horseshoe pits, but if you blinked you might have missed them getting swept to the tune of 21 – 5 and 21 – 10 by Powell’s Brickyard. Going to Carson Lanes they had no chance to take a title, but with some motivated bowling led by Captain Yeti, they played spoiler to knock Full House out of the running and gave the eventual champion Penetrators all they could handle before running out of jam and settling for another 4th place in bowling and a disappointing overall 6th place finish.

2015 Prediction: 3rd Place

One of only three teams in the SNC without a title, ending every year empty handed must be taking its toll. With the competition greatly improved in golf, it will take Stage Fright coming out of the gate with a renewed sense of urgency to again dominate on the links. If they can find their bearings in the pits and hopefully leave their mark on the lanes once and for all they should be right in the mix. However, that is a lot of ifs and although they won’t be languishing again among the bottom finishers they still will fall a little short. When the Commission respectfully reached out to Captain Yeti in the offseason about the 3rd place prediction, he fired back, “Bullshit.”

POWELL'S BRICKYARD

YEARS IN LEAGUE: 16

CHAMPIONSHIPS: 0

2014 Sierra Nevada Classic – 7th Place (4th Place Horseshoes)

This was going to be a tough Classic from the get-go as Powell's Brickyard was without their linchpin and Captain, Ron "Silk" Powell, but they weren't feeling sorry for themselves as they lugged their bags to Genoa Lakes. They tried to hack their way around the course with 3 bogeys and 2 birdies but it wasn't enough as they finished four strokes out of points. No problem, on to Saturday. With heads held high Powell's Brickyard strode to the horseshoe pits where they swept Stage Fright out from under their feet. In the semi-finals, the A Squad of Tierney/Harmon cruised to a victory but the B Squad of Tierney/Johnson suffered a loss to set up a playoff where Tierney/Harmon battled the Full House B Squad of Stoddard/Kinne but fell a couple shoes short as they moved to the consolation round to settle with a 4th place finish. After a strong lunch, Powell's Brickyard had their work cut out for them as they faced the bowling behemoth known as The Penetrators. They weren't intimidated as they battled ball by ball and frame by frame, but it was not to be as they finished a mere 12 pins shy of advancing to end the day in 7th place.

- 👍 **Golf:** 3 Drives, 5 Putts
- 👍 **Horseshoes:** 10 Ringers, 11 Points (2 - 2, 10.25 PPG)
- 👍 **Bowling:** 143 (+11 of Average)

Mike "Sleepy" Johnson (ROY – 2002)

- 👍 **Golf:** 5 Drives, 6 Putts
- 👍 **Horseshoes:** 2 Ringers, 11 Points (1 - 2, 5.67 PPG)
- 👍 **Bowling:** 131 (+2 of Average)

Grant "The Chef" Dehne (Rookie)

Not much is known about this rookie other than he's the nephew of the Tierney Brothers so you would assume he has a decent golf game, talks to his shoes and likes to enjoy some coolies. It will be a difficult task in trying to replace a 14-year veteran and the founder of Brickyard, but with the right mix of spices and flavor he just may be able to make Powell's Brickyard Stew a little more appetizing.

2015 Prediction: 7th Place

It's difficult what to make of this squad as they attempt to inject some youth into this veteran mix. Hopefully, the familial bond will be the same type of advantage as has provided the Colt .45s with the Hutson Brothers, but only time will tell and this year looks to be another year of figuring out the kinks. When contacted by the Commission about the low 7th Place prediction, Captain Casanova confidently replied, "We will use this prediction to motivate us to work harder on our games so that when it's all said and done, the dog pile upon the lanes will just be that much sweeter!"

FISTFUL OF \$\$\$\$

YEARS IN LEAGUE: 19

CHAMPIONSHIPS: 2 (2005, 2003)

2014 Sierra Nevada Classic – Last Place (0 Points)

“Swing low, sweet chariot, comin’ for to carry me home.” This should have been Fistful’s theme song in SNC 19 as it looked like they had one foot in the grave on tournament weekend. Things would get off to a rough start as they bogeyed the first hole at Genoa Lakes. Even with a great day on the links from the Leprechaun, this would continue throughout the round as they would cough up six bogeys on the day to barely snag a seventh place finish. As a new day dawned, a baptism of sorts lay ahead as they were seeded against the four-time horseshoe champion Colt .45s. Six horseshoes later, yes six, the Fistful “A” Squad of Borda/Manning looked around in disbelief as they had been mopped up by the skunk of the Hutson Brothers. The B Squad of Dodson/Schellin tried to hang in there, but to no avail as Fistful was swept off the horseshoe pits. Next, on to lunch where they typically dominate, they couldn’t even muster a fourth place finish as Dot couldn’t finish her lamb chops, X-Mormon left soup in his bowl, Ziggy gagged on the cow tongue and Leprechaun spilled his wine on his bowling shirt. On to bowling where the Carson Lanes would prove to be no River of Jordan as Fistful was crushed to the tune of 61 pins by Let It Ride as they finished a forgettable Classic with no wins and zero points.

- 👍 **Golf:** 7 Drives, 4 Putts

- 👎 **Bowling:** 104 (-4 of Average)

2015 Prediction: 8th Place

It’s been ten long years since Fistful of \$\$\$\$ have won a title, and the Commission does not have much hope that Fistful has improved much from last year but they do feel that a new golf course will awaken their sticks and they should be in on some points. Horseshoes and bowling however will continue to be spectator sports for this once mighty team. Told of these comments, Captain Dot had this to say, “I guess I can understand the Commission’s lack of confidence in our team, but we know what we are made of and we’re ready to shock the world!”
